George's Trip to Pheonix

George spoke at the March meeting about his time chasing largemouth bass - 113 on the first day!

though some were a little smaller:

Seems there was also a large contrast in boat styles:

Stuart in New Zealand

Just before Peter and Bill got to New Zealand Stuart was in the same area:

Recent Email

Got this in the mail and forgot to put it into March newsletter. It is Peter Morse and the email claims a 17 lb brown from Arthur River - Peter K and I saw Peter Morse on our flight to NZ and had a chance to congratulate him on this catch.
