June 14th, 2007

The common carp world record has fallen again. This time to German angler Emir Caro. The 84lb 12oz (38.45Kg) monster has been a long term target for Emir who has been after it for 3 years. Emir tempted the common with a 20mm boilie on a size 3 Mako super fly hook, 18lb Krystonite and a 65lb Score Gold lead core leader.

From Googong, golden perch from Shannons Inlet with Bob Morton and me.
