

# Mar 15 Goodradigbee Outing

Five CAA members enjoyed a glorious weekend chasing the “Mountain Trout” on the Goodradigbee River in the Brindabella Valley over the weekend of  
6-9 Mar 15

The weekend was attended by Bill B, Jason M, Lyall, Alan S and Greg W, A successful weekend was had by all and the number of the trout caught was small, the peace, tranquillity and fishing in a mountain stream was worth the trip. My thanks to all who attended!

A couple of humorous chap's—Lyall, Bill B.  
Bill trying to get a point across, but Lyall  
knows best

Lyall, found that solitary fishing on quiet river  
most enjoyable

Meals to the hungry courtesy of Jason M!

Find for the trip was MKR aka Jason M,  
with Bill B taking some pointers.

Deep in thought—Alan's where's my next  
trout!

Bill B—humorous jokes were the go and kept the lads entertained, with stretching the truth on a couple of occasions with the size of fish!

The river is currently low, but soon will be up due to the Winter season coming on.

The team ventured up into the upper reaches of the Goodradigbee, and the going was tough.

The hut provided a pleasant place to eat and with Bill B sometimes sleep!

MKR aka Jason M showing he has more talents than fishing.

Cooking once again, MKR Jason M into action and taking charge of the Cooking. The lads were spoilt with Roast Dinners, Entrée and who could forget the Sweets! Well done Jason M.

Lyall, where to next!

Bill B displaying his skills with the Rod with a nice Rainbow on the hook!

A nice coloured brownie for Jason M.

Jason M proving that its not all about the big fish. The Goodradigbee is well known for its small but healthy trout.

Bill B showing its not all about the talk. A healthy Rainbow!

Greg W and Bill B—on a river somewhere!
