

Shaun's Crustacean Bugger

This fly is a crustacean bugger more than a baitfish variant. It seems to work well fishing shallow margins on the bottom with a strip and pause.

Materials list:

- Size 8 or 10 Streamer Hook, with a 3.8mm bead of choice.
- Black 8/0 Uni thread or Ultra
- .015 Lead (or non lead wire)
- Black Marabou
- Red or black (or both) Flashabou
- MS Bugger Dubbing (Shaun to supply)
- Orange UV dubbing
