

FACEBOOK AUCTION:

Mending Casts Inc run free live-in weekend fly fishing retreats for people dealing with cancer in Australia. Most notably we host the internationally acclaimed programs "Casting for Recovery" in Victoria and "Reel Recovery" across Australia. As a registered non-profit organisation run solely by unpaid volunteers, we are entirely self-funded. Those funds are obtained from a broad range of fund-raising activities, supporters, sponsorships, corporate partnerships or government grants with every dollar being invested back into our programs and the activities which support them.

We have had a wonderful timber fishing net donated and will auction the item off on the Mending Casts Facebook page to raise some much needed funds. Please help us by bidding generously for this beautiful landing net. We truly appreciate everyone who chooses to contribute our fund-raiser during such difficult times.

Item Description:

A one-off hand-crafted timber fishing net made by Daryl Human. It has a sleek two tone timber handle with indented grip area, fashioned from solid American Flame Maple with Black Walnut accents. The fish-safe rubber coated netting is beautifully hand stitched into the hoop. Measurements are L 70cm x W 30 cm at widest point. Net area is L 39cm x W 27cm and 27cm deep. Handle is 29cm long and 11cm in circumference. This is not a mass-produced product but a beautiful example of bespoke artisan craftsmanship that any discerning fisherman would be proud to own (RRP \$250.00).
